**YEM – Official Announcement
31th August 2020**

Dear YEM Holders,

Again, the YEM Foundation decided to keep the price range for YEM between \$0.95 and \$1.15 for another week while we are in contact with several Authorities.

In the future, however, the YEM Foundation will take the liberty of publishing a new regulation at any time if there is an appropriate reason to do so.

If there are important reasons to change the trading range or rules, we will do so, even before next Monday. This can happen at any time.

Be safe, healthy, successful, and happy.

Thank you!
