YEM – Official Announcement 16th November 2020

Dear YEM Holders,

During the last 3 weeks we have seen many interesting developments regarding the acceptance of crypto currencies. PayPal announced their interest in opening their wallets for digital currencies as well as many Authorities are preparing for the acceptance of cryptos by developing strict national rules.

Fighting anonymity, manipulation, tax fraud, and money laundering are the main topics for the Authorities. From our many contacts we know that YEM will fulfill many if not all the requirements to be internationally accepted as a digital form of payment.

Additionally, today SWISS DIGITAL FUNDS are opening for YEM Holders, YEM BIDS is launching, and at TWNKL.GOLD up to 10% of gold can be paid with YEM. The Unicorn Network announced that starting in December the PerNum Wallets will be expanded to Multi Function Wallets with fiat currencies and virtual debit cards.

Thus, the YEM Foundation decided to increase the price range for YEM by \$0.20. The new Trading Range is now from \$1.6000 to \$1.8000 with the first trade starting at \$1.7800 at YEM EXCHANGE.
