YEM – Official Announcement **23rd November 2020**

Dear YEM Holders,

Congratulations everyone on the completion of 3 Years of YEM (Formerly Rainbow Currency). Think of all the special moments that we have gone through in these years. Some high moments, some low; some exciting, some not so exciting; some achievements, some setbacks; and every time, Your Everyday Money have found out ways to keep moving forward. All these are possible for the unshakable faith in YEM. YEM Foundation thanks each and every YEM Holders from the bottom of our heart. At this point of time, the stability of YEM at current levels is required. YEM Bids, Twinkl Gold and Swiss Digital Funds are worth exploring/researching and using. For now, to increase usability and stability at current levels, YEM Foundation has decided to have the Trading Range from \$1.6000 to \$1.8000

There will be more good stuffs from your YEM Foundation where all YEM Holders can participate. Watch this space for more.
