YEM – Official Announcement
18th January 2021

Dear YEM Holders,

We see a record increase of transactions of YEM on the YEMChain within the last 7 days. And the lifetime Transaction Volume in YEMChain have also surpassed a value of \$200 Billion. The usability and acceptance have gained much strength.

With its different functions YEM's appreciation is growing.

The continuation of the appreciation of crypto currencies in general during last few weeks shows that they are perceived as real values. People increasingly buy cryptocurrencies for many different reasons.

The YEM with its specific purpose is especially attractive for businesses because of its regulations by the non-profit regulatory authority. Pernum Multi Wallet is now functional, more and more functions are added.

Thus, the YEM Foundation decided to increase the price range for YEM by \$0.5000. The new Trading Range is now from \$3.8500 to \$4.0500 with the first trade starting at **\$4.0300** at YEM EXCHANGE.
