## **YEM – Official Announcement** **3<sup>rd</sup> March 2021**

**Dear YEM Holders,**

The Deposit and Withdrawal of USD on the YEM Exchange had been a tough task. While the Deposit and Withdrawal from PerNum Multi-Wallet is much better, easier and smoother, and in accordance with your Verification Status at SafeZone. Either you are verified through IDNow or currently through SafeIDent, you can take full advantage in the YEMExchange as well as within the SafeZone.

Therefore, it is decided to directly link YEMExchange with Your PerNum Multi-Wallet for USD Deposits and Withdrawals. So, now you can move Your Funds more easily and economically. There is no need to involve the Bank while moving USD between YEMExchange and Your PerNum Multi-Wallet. Good News and Hassle Free Transactions. Moreover, there is no additional fees for these movements. The only Fee that you pay is the small YEMChain Fee which is paid in YEM.

This is another achievement for the YEM Foundation. And please note that all earlier request for USD withdrawals at YEM Exchange is now cancelled. You can request again with this new procedure for immediate withdrawal to your PerNum Multi-Wallet.

The YEM Foundation has decided to raise the trading range for YEM by \$0.1000. The new Trading Range is now from \$5.8500 to \$6.0500 with the first trade starting at **\$6.0300** at YEM EXCHANGE.
