**Welcome Message**

**Dear YEM Holders,**

First we would like to express how grateful we are for the results of the election. We feel honored that more than 80% of you voted for us, and you can rest assured that we will strive for the best results in the interest of all YEM Holders.

We thank the old Board for doing a great job. Based on their results, we will continue to protect and grow YEM on a global scale. We already started our journey, and we are happy to announce that we are preparing an international campaign for YEM awareness that is targeting Authorities, associations, companies, and the general public. It is our goal to educate key people about YEM and what makes YEM special.

As one of our first steps, we are updating and upgrading the YEM Foundation website. There will be a 'News' section added, where you can find continuous updates about our plans, goals, and achievements.

Thank you all for your trust. It is an honor to serve you!
